In Search of my Kohler / Kaler family tree from Waldoboro, Maine Waldoboro Immigrants from Ship Lists; this list includes the family members that help trace later comparisons with the same name, i.e. Kaler / Kohler. Another ship’s list in German. These two lists were compared using Johannes Kohler and Johan Heinrich Kohler. He continues with Clearing up Conflicting Information using a Genealogy Tree for Johann Henry Kaler including his extended family. Further information was taken from John Henry’s Will. This prepares him to compare the Jacob Kaler Families and was able to find DNA proof. He concluded that Jacob Kohley / Kaler was his direct ancestor, and George Kaler was his great, great grandfather. This puts Johannes Kohler / Kaler is his direct ancestor.
